ANDERSON BIG SHOTS

On Thursday, September 15th the Anderson School of Management partnered with Landmark Musicals for a special live performance of the Tony Award winning production of *How to Succeed in Business without Really Trying*.

The highlights of the evening included the naming of a scholarship for retired Professor Jeanne Logsdon. Going forward, the scholarship will be called the Jeanne Logsdon Washington Campus Endowed Scholarship to honor her legacy. This Washington Campus fundraising event was truly a success with more than 200 people in attendance and it grossed nearly \$13,000 in scholarship donations. Many graduates of the Washington Campus Program attended the performance and shared their experiences. Professor Shawn Berman is now overseeing the program at Anderson.

If you were unable to make the performance, the “Book Voice” was our very own Dean Doug Brown who was cast as narrator. If you would like to contribute to this very worthy scholarship, please contact Ernest Rodriguez-Naaz at (505) 277-7114 or via email ernaaz@unm.edu.
